In-game

Welcome to the JSP Space Mission Adventure! In this series, you will explore and learn about new knowledge on how to become an astronaut. Cool, right?

We have a total of four weeks of adventure awaiting you to explore!

WEEK 1

Space Centre

WEEK 2

Space Station

WEEK 3

Moon

WEEK 4

Space Centre

Map Overview – JSP Space Centre [Earth]

Week 01-Space Centre

1.1 Space Suit Mission

- ▶ In here, JSP students will learn on how to become an astronaut.
- ▶ Learning by choosing the correct attire for an astronaut.
- ▶ Students must click on each body part to select the correct pieces.

Quiz Mission

In this mission, we aim to enhance your knowledge about preparations before takeoff to space. Give your best to answer all questions correctly!

Do take some notes on each question, as they will serve as clues for the following weeks.

GOOD LUCK!

Next

Why is it important for the spacecraft to undergo thorough testing and inspections before a space launch?

To delay the launch

For entertainment purposes

To save costs

To meet safety standards and withstand space conditions

1.2 Space Quiz Mission

- ▶ In here, JSP students will gain knowledge on the preparations before takeoff to space.
- ▶ Students need to choose the correct answer in order to go through the next stage.
- ▶ Students also need to keep an eye on questions as they will be useful for the upcoming weeks.

1.3 Rocket Mission

- ▶ In here, JSP students will know some basic knowledge on how the space rockets look like.
- ▶ Students need to assemble a few sets puzzle from various types of rocket.
- ▶ Students can refer the image given on the top right corner as visual reference.

Week 02 – Space Station

- ▶ This is where Week 02 will begin as JSP students will learn several things on solar system and fueling the rocket in order to launch it.
- ▶ There will be 2 available interactive games:
 - 3D Hologram Solar System Learning Experience
 - Finding Fuel Cans to Launch Rocket

Week 03/04 – Explore Moon & More!

- ▶ This is where JSP students will be able to experience the moon gravity, some knowledge on the moon elements and learning the national flags of different countries.
- ▶ There will be 3 available interactive games:
 - Collection of Moon Elements
 - Collection of Flags
 - Jump Higher in Moon to Collect Item
